

Japanese Government Scholarship for 2015 (Research Students)

The Government of Japan offers scholarship to South Sudanese students who wish to study at Japanese universities as research students under the Scholarship Program for 2015 of the Ministry of Education, Culture, Sports, Science and Technology(MEXT) of the Japanese Government as below;

■ Qualifications

- Holding South Sudanese Nationality
- Born on or after 2 April 1980
- Holding at least a bachelor's degree
- Physically and mentally healthy enough to pursue a study at post-graduate level

■ Term of Scholarship

- 24 months (April 2015-March 2017) or 18 months (October 2015-March 2017)

■ Application procedures

- Detailed guidelines and application forms are available at the Embassy's reception between 9:00 a.m. and 11:30 a.m from 14 July to 24 July 2014 (except Saturday and Sunday)
- All applicants must read the guidelines carefully before application, and submit three sets of the following documents to the Embassy of Japan by the deadline. One set is required to be original documents, and the other two sets may be photocopies thereof.
 - ✓ Application Form
 - ✓ Placement Preference Form
 - ✓ Field of Study and Research Program Plan
 - ✓ 2 passport size photos
 - ✓ Academic transcript of each academic year of the last university attended
 - ✓ Graduation certificate or degree certificate of the last university attended
 - ✓ Recommendation letters from the principal or adviser of the last university attended
 - ✓ Recommendation letter from the present employer (if currently employed)
 - ✓ Medical certificate
 - ✓ Abstracts of thesis

■ The deadline of the submission

By 25 July 2015
